Publishers of the special newspapers in simplified English, *Good Times*, *Just For You*, *ABC Times*, *Go!* and of the Arabic-teaching newspapers for schools, *Salamat* and *Jaridati*.

U.S. Secretary of State
Mr. George Shultz

18 October 1987

Dear Mr. Shultz,

I write to you as a small local publisher who is also very involved in the struggle to free Raoul Wallenberg.

Earlier this year I had the privilege to publish the enclosed book, *Raoul Wallenberg is Alive*, by the Jewish ex-KGB officer Efim Moshinsky. Moshinsky was the arresting officer of the Red Army in Budapest in January 1945 before Wallenberg was sent to Moscow, and then he again had contact with Wallenberg in 1958-60 when he himself was in the terrible prison on Wrangel Island.

Moshinsky escaped to Israel where he now lives in 1965. Over the years he has received information from sources in the USSR about the state and whereabouts of Wallenberg, the gist being that he is still alive as testified by the letters reproduced in the book, some dating from the end of 1986. The book made and is still making headlines around the world and has given a new impetus to the campaign to release Wallenberg who was 75 years old in August.

We also know that Raoul's brother, Professor von Dardel, has information that he is alive. We even have the remarkable testimony of local mediums and experts in telepathy confirming our belief.

Knowing of your great concern for human rights and your courageous stand for Soviet Jewry and Iida Nudel, I am confident that you will raise the case of Raoul in Moscow and persuade them to release him. Millions of people, including survivors of the Holocaust and their children, will be with you and praying that at long last a terrible injustice will be put right. With your help it will soon be the turn of Raoul Wallenberg to win freedom and a hero's welcome. We wish you good luck on your mission for peace and justice and a very successful stay in Jerusalem,

David Herman (co-publisher of the enclosed book)

P. S. If you wish to contact Moshinsky you can do it through me since he doesn't speak English. He says he has new information.
